

SUN VALLEY HIGH SCHOOL THEATER

Elizabeth Hazlett, Director

Dear Sir/Madam,

Thank you for considering supporting Sun Valley High School Theater's production of *Pippin*. We are proud to present this show starring approximately 50 of our talented high school students. We estimate four sold out houses—totaling approximately 3,000 audience members—of families, young people, and senior citizens, who will all see that YOU supported arts education in our schools.

In order to financially support this production, each actor is asked to sell a certain amount in ads and shout-outs for our program. Please consider helping the young actor who is visiting your business today. Your generous donations make a direct, positive impact on our children's arts education.

Please do not hesitate to contact me with any questions.

Sincerely,

Elizabeth Hazlett
Director
